SPY MOTORSPORT AT SILVERSTONE

This weekend saw SPY Motorsport compete at the UK's most renowned track, Silverstone.

The two-day race event saw the team compete in the GTA class of the GT Cup Championship with their Ginetta G55 cars.

Saturday consisted of qualifying and two 25-minute sprint races. Having exceeded track limits, Dominic Paul, the current championship leader, had his fastest lap disallowed and had to start at the back of the grid. Brent Millage, who is also a part of SPY Motorsport, started the race in 5th position.

Dominic's flawless performance during the race saw him battle up the grid to claim 3rd place and complete the fastest lap out of grid. Brent managed to claim 5th in the first race.

The second race saw Dominic start 3rd on the grid with teammate Brent in 5th. Dominic stormed to front of the grid to take an early lead to win the race. After a hard-fought battle, Brent finished 4th.

Sunday's 50-minute endurance race saw Dominic finish 5th place after dropping to 7th place during a compulsory pit stop. Brent narrowly missed a podium finish after a last corner overtake saw a fellow competitor steal 3rd place.

Dominic is still currently leading the championship and hopes to re-start his winning streak when the team returns to the track at Oulton on the 29th July.
