### SPY MOTORSPORT CONTINUE WINNING STREAK AT SNETTERTON

This weekend Oxford based race team SPY Motorsport, ventured to Snetterton race circuit, Norfolk, for the next round in the GT Cup championship.

Having tested their two Ginetta G55s on Friday, the team were happy with the set up and feeling confident ahead of the weekend's races.

Saturday's format consisted of one qualifying session and two races. The qualifying session saw SPY Motorsport Dominic Paul claim pole position with teammate and Kepston Ltd sponsored driver Brent Millage qualifying in 4<sup>th</sup> position.

During the first race of the weekend, Dominic pulled an early lead on the rest of the field and claimed the win. Brent battled his way up the grid only to be overtaken on the last corner which saw him finish 4<sup>th</sup>.

The next race saw Dominic and Brent start on pole and 4<sup>th</sup> respectively. Brent displayed outstanding driver skill and managed to climb up the grid to finish 2<sup>nd</sup> place behind Dominic, who continued his winning streak.

Sunday's endurance race proved to be the most exciting race of the weekend. Brent, who started 5<sup>th</sup> on the grid, dropped a position to 6<sup>th</sup> during the opening laps but a combination of pure determination and perfectly calculated decisions saw him make his way to 2<sup>nd</sup> place within a few laps.

Unfortunately, both drivers had to serve a compulsory succession pit stop which changed their positions in the race. Dominic re-joined the race in 3<sup>rd</sup> and Brent, 6<sup>th</sup>.

Knowing they had their work cut out for them against the McLaren and Aston Martin Teams, Dominic, on dominant form, climbed up the grid to continue his winning streak.

Brent millage

battled with other teams and earned himself a hard-fought 5<sup>th</sup> place in class.

SPY Motorsport team manager, Peter Young, said, "It's been a great weekend for both drivers. Their results have extended their lead in the championship standings."

Dominic currently leads the GT Cup GTA class Championship by over 80 points. Brent follows in 2<sup>nd</sup> with a gap of 35 points over 3<sup>rd</sup>.

The team return to the track on the 16<sup>th</sup> September at Donington Park. Follow their progress by following SPY Motorsport on Facebook.
